Eating Well – Food and Culture

This lesson plan is for an EAP (English for Academic Purposes) level 4 writing class.

OBJECTIVE:

To increase student awareness of issues related to “A World of Health: Connecting People, Place and Planet”:

PROCEDURE:

1. Students will read an article about “Eating Well.”
2. Students will discuss the article in class.
3. Students will watch a portion of the video “Food Inc.” and discuss it.
4. Students will write a paragraph comparing food in the U.S. and food in their country
5. Students will share their paragraphs with partners.

MATERIALS:

1. Article about “Eating Well
2. video “Food Inc.”

EVALUATION:

The student’s paragraph will be evaluated based on a rubric including content, organization, grammar, punctuation and vocabulary.
