

BEE DAY

To BEE or not to BEE:
We're ALL part of
the solution

Interactive Workshop

Presenter:
Dr. Jaeson Clayborn

Thursday, October 31st
10:00 A.M. - 11:00 A.M.
6:00 P.M. - 7:00 P.M.
Room 5101 A

These interactive workshops will facilitate peer-to-peer learning, using online games, surveys, and synthesis using visual aids, etc. A portion of the presentation will reflect on bees inhabiting South Florida's ecosystems and islands in the Greater Antilles (Cuba and Puerto Rico).

Participants will experience and explore a virtual forest searching for clues to identify and differentiate honeybees from wasps. They will also learn how to be part of the community that protects the honeybee's habitat.
